

Every year, for the past 8 years, The Packard Court Community Center has hosted a Trunk Or Treat for the residents and families of Niagara Falls.

This activity provides a safe and fun way for families to trick or treat, while at the same time being able to get access to community resources as well as health and wellness screenings and information. Each and every year, the event has grown and continues to do so while providing these activities for more than 500 families.

This year, in addition to having community resources, we would also like to offer some of our local villagers (individuals) and businesses an opportunity to participate and promote your brand and or products while simultaneously making a difference in the lives of children in our community.

There are several ways that you can be a change maker in our community

- 1) Participate as a "Trunker" who agrees to distribute candy from your trunk or table. We encourage you to dress up and or decorate your trunk to be entered into a contest for the best and most creative costumes/ decorations. This is open only to participants. (Additionally, if you are a business who may be interested in participating in our Kwanzaa marketplace, your table fee will be FREE!
- 2) You can donate candy that we can distribute for you. Feel free to add a card, sticker or other indicator of your business.
- 3) You can donate financially to assist us with purchasing items to distribute to our children. We would love to be able to give away socks, hats, scarfs and gloves as we know the winter months are upon us.

Please feel free to contact me at (716) 278-0228 or via email at svsullivan@nfha.org to further arrange/discuss how to participate.

Sincerely,

Samika Sullivan
